

TWICKENHAM ROWING CLUB HOLIDAY WEEK

What is the Holiday Week?

A few years ago, the Club was given an annual week's holiday in Goa by John Spence. The purpose was to assist in fundraising for the Club by running an annual raffle among members.

The Holiday Week has now raised over £5,000 as well as giving the lucky winners a good time.

Where is it?

The week is at the Royal Goan Beach Club a smart development.

What is the accommodation?

It's an apartment with two double bedrooms, two bath/shower rooms and a living room with a convertible settee – so there is sleeping accommodation for 6 – at a push.

Self catering facilities exist, but each resort has a bar, restaurant and swimming pool and there are many excellent bars and restaurants nearby

What costs are there?

All you have to pay is your airfares to get there and eating and drinking costs while you're there. Goa is extremely good value.

Can I extend my stay?

A couple of winners have done just that. It's usually possible for us to negotiate an extra week at a fairly low charge to you. Also, if you win, but don't want to go to Goa, it is possible to arrange a swap with another destination. Royal Resorts have locations in Bali, Thailand and Australia. You would have to bear any admin charges in doing this.

HOW DO I TAKE PART?

Tickets are just £10 each. We limit sales to just 100 so that the chances of winning are really high. The draw will take place at Christmas party on Sunday 17th December 2006.
